

## PRAGUE QUIET MUSIC COLLECTIVE

### ANNOTATION

The **Prague Quiet Music Collective** was established with the aim of presenting music that pays heightened attention to silence, subtle details of sound and the passing of time. We believe that in our hurried epoch of the "economy of attention" and stimulus overload, there is much sense to be found in a quieting that allows us to glimpse the beauty of slowness, impermanence, fragility and detail. We give equal attention to concert programming and to creating a unique environment for the listening experience. One of our aims is to commission new pieces to include in our repertoire.

### Ensemble members

Ian Mikyska – viola da gamba, guitars, recorders

Anna Paulová – clarinet, bass clarinet

Milan Jakeš – violin

Luan Gonçalves – double bass
